## Introduction

Son of a **decorated Ex- Air warrior** father and **Life-long member of AFWWA** mother (member of ST), I think I am versatile and a professional [post]graduate with wide ranging (*though not yet far reaching*) experience in a variety of IT-related areas including first/initial level computer assembling, troubleshooting, repairs, HTML, CSS with little bit of JSP and some database along with “C” & VB programming plus basic windows maintenance etc in addition to some Linux (Ubuntu) and Apache web server experience. I am seeking to combine, yet to be gained, academic knowledge and work experience in a challenging role within the Healthcare, social & Educational sector.

## Objective

To convert myself, from being a raw, semi-skilled and desi mistry, to a qualified engineer through hard work, persistence and able guidance from an esteemed institute, for the purpose of delivering back to the world to the best of my abilities in educated and sincere manner.

## Education

- After studying upto 8<sup>th</sup> in “**Golden Jubilee School**”, Subroto Park, New Delhi, I Passed Matric / X<sup>th</sup> from Kendriya Vidyalaya, Upper Shillong with about 70 % marks appx, in 2009
- Passed **iTOEFL** in mid-2009, with score of 87
- After qualifying through essay and online competition, was selected for and completed a short Biomedical Engineering course in **School of Engineering & Applied Science** at [George Washington University in Washington DC](#) in June 2009, and received appreciation from the Asst. Dean as well as from the course supervisor
- Passed XII<sup>th</sup> from Kendriya Vidyalaya, Upper Shillong in 2012, with a little less than 80% marks approximately
- Passed B.Com (Hons) from St. Anthony’s College, Shillong, May16
- Topped the class of the year for [Post Graduate Diploma in Computer Applications](#) with [8.8 CGPA](#) from St. Anthony’s College.

## Sports & Extra Curriculum Activities

- Participated in Young Adventure camp in Mussorie in 2003 through AFWWA
- Participated in various training camps of NCC starting from 2008 to 2012
- Participated in Unde-19 Cluster level (KV) Basketball competition in late 2011
- Participated in Regional Sports meet at KV Narangi, Guwahati in Basketball representing Meghalaya area in early 2012
- Represented St. Anthony's Collage in Basketball (men) at One Zone Inter collage tournament in Sep 2015 and was declared Runner's Up

## Professional Experience

Jan 2015 – till date

Founder/Entrepreneur / Desi-Mistry / Webmaster at

Nov 15 – Till date : Filed for Trademark for HealthSevak and also running and maintaining multiple websites on in-house hosted server (OS- Ubuntu 16.04)

28 Apr 2016 – till date

Management & IT Intern at SAN-KER Rehabilitation Center

## Awards and Acknowledgments

- Appreciation from Asst. Dean and Sr. Research Professor at George Washington University, Washington DC, for performance in biomedical engineering course.
- Represented Meghalaya area in KV regional meet at Guwahati for Basketball
- Represented St. Anthony's collage at One Zone Inter Collage Tournament at NEHU and declared Runner-up.
